Ofsted report 2025

Dear Parent/Carer,

As you will be aware, back in February we had our long-awaited Ofsted inspection. We are delighted to now be able to share the final report with you. The school was previously inspected in June 2014 and since then, lots of changes have been made to both the inspection framework and to the school curriculum.

As a staff team, we are really pleased with the report and how it reflects our continuing journey as a school. We would like to thank all involved, including our school community for the support you give to us – our inspectors shared lots lovely feedback and comments from our staff, pupils and parents. We look forward to continuing to work together to further develop our school.

Yours sincerely

Sharon Patton
