c o a d g q

These letters are oval rather than circular.

The letters begin with a "coat hanger" shape.

Begin just below the top solid line. The first movement of the writing tool is up to the line, then over and down. On reaching the bottom solid line, it is necessary to go diagonally upwards and across to the right, in order to make an oval shape.

e

Letter e

Is like the distant cousin of the Coathanger family as although it is based on the c shape, it doesn't start with the hook like the other letters in this family.

Begin at the mid-point between the two solid lines and move upwards to the right, at an angle of 45 degrees.
