**Headteacher: Mrs S Patton NPQH**

16<sup>th</sup> April 2019

Dear Parents and Carers,

St Oswald's C of E Academy had our SIAMS inspection on 14<sup>th</sup> March 2019. This inspection is the Statutory Inspection of Anglican and Methodist Schools, and is conducted every four years on behalf of the Diocese of Sheffield. It assesses our school's Christian identity, Christian vision including how this is promoted across the school, the impact of Collective worship, and the effectiveness of RE (including awareness and the understanding of other faiths).

I am pleased to announce that our school has been awarded a rating of Good, in all areas of the new inspection framework.

This is in recognition of the fantastic work that is done not only by the staff and pupils in school, but also the links between school, church, parents and the wider community and one which we should all be proud of.

Please join me in thanking everyone involved in their contribution to our school community.

Over the next term we will be looking at ways to further develop our school's Christian Distinctiveness to build on our unique school and community character. This will include a Parental Survey on this topic to assess both our current state and future developments.

We will keep you informed of our progress over the coming year via both school newsletters and letters home.

Yours Sincerely

Mr D Moore  
Chair of Governors
