Top Tips

The secret to success is practising **little** and **often**. Use time

wisely. Can you practise these KIRFs while walking to school or during a car journey?

You do not need to practise them all at once; perhaps you could have a fact of the day.

If you would like more ideas, please speak to your child's teacher.

Use practical resources -

- Using items around the house to find different ways of making 5, e.g. one blue teddy and four red teddies, one and four make 5
- Making up stories with items around the home, e.g. there are 2 cars in the car park and 3 more cars arrive, how many cars altogether? Two and three make 5
