

Quick Recall Facts

Year 2 - Summer

By the end of this term, children should know these following facts.
The aim is for them to know these facts instantly.

1. I can tell the time to 5 minutes.

Children need to be able to tell the time using a clock with hands. This target can be broken down into several steps.

- I can tell the time to the nearest hour.
- I can tell the time to the nearest half hour.
- I can tell the time to the nearest quarter hour.
- I can tell the time to the nearest five minutes.

2. I know my 5 times table.

$$5 \times 1 = 5$$

$$5 \times 2 = 10$$

$$5 \times 3 = 15$$

$$5 \times 4 = 20$$

$$5 \times 5 = 25$$

$$5 \times 6 = 30$$

$$5 \times 7 = 35$$

$$5 \times 8 = 40$$

$$5 \times 9 = 45$$

$$5 \times 10 = 50$$

$$50 \div 5 = 10$$

$$45 \div 5 = 9$$

$$40 \div 5 = 8$$

$$35 \div 5 = 7$$

$$30 \div 5 = 6$$

$$25 \div 5 = 5$$

$$20 \div 5 = 4$$

$$15 \div 5 = 3$$

$$10 \div 5 = 2$$

$$5 \div 5 = 1$$

Key Vocabulary

Twelve o'clock

Half past two

Quarter past three

Quarter to nine

Five past one

Twenty-five to ten

Key Vocabulary

What is 10 multiplied by 7?

What is 10 times 9?

What is 70 divided by 10?

Top Tips

The secret is practising little and often. You don't need to practise these all at once, perhaps you could have a fact of the day. Can you practice these Quick Recall Facts during a car journey?

- Talk about time - Discuss what time things happen. When does your child wake up? What time do they eat breakfast? Make sure that you have an analogue clock visible in your house or that your child wears a watch with hands.
- Ask your child the time regularly - You could also give your child some responsibility for watching the clock: "The cakes need to come out of the oven at quarter past four" or "We need to leave the house at half past eight."
- Spot patterns - What patterns can your child spot in the 5 times table? Are there any similarities with the 10 times table?
- Songs and Chants - You can buy Times Tables CDs or find multiplication songs and chants online. If your child creates their own song, this can make the times tables even more memorable.
- Online - Go to <https://www.topmarks.co.uk> for super bowling maths multiplication and Tommy's Trek
